

Dear Kevin,

My wife and I would like to thank you for the marvellous job you did during the sale of our 4-bedroom town house at 3/15 Tyne Street in Box Hill North recently.

You are very dedicated and highly professional and truly one of those few real estate agents who genuinely loves the job and considers every sale as a personal challenge!

From start to finish, we find you to be a friendly and honest person; one who has a genuine interest in dealing with people. You worked tirelessly during the sales campaign and with your vast experience and knowledge matched by your amazing energy and dedication, you achieved a result that was above our expectations. And you sold our property on just the third "open for inspection".

We will not hesitate to highly recommend you to any home owner who seeks an agent that offers experience and superb knowledge and understanding of the market and one who is genuinely interested in achieving the best outcome in the quickest possible time.

Thank you once again and we wish you all the best!

Best regards,

.....
