

Dear Kevin,

Ying and I just want to say thank you for selling our property at Suite 509, 55 Swanston Street, Melbourne and for achieving an excellent result in these tricky times.

After our property advertised on the market by the other agent for few months without result, it came as a surprise that you sold the property in two days and achieving 7% above our asking price.

Throughout the selling process, we felt that you were honest and did everything you promised us you would do and to that we are both extremely grateful.

We would recommend you to all prospective property sellers as we are confident that you will over deliver in your service and result.

We wish you the best of luck and look forward to working with you again in the future.

Kindest regards,
